## **APPOINTMENT PROCEDURE OF THE SUPERVISORY BOARD OF THE SSH**

In accordance with the Article 40 of the SSHA-1, members of the supervisory board of the SSH shall be appointed by the National Assembly on the proposal of the Government. The National Assembly consents to all candidates proposed by the Government and is not permitted to change them.

Before the Government proposes the candidates for the supervisory board of the SSH to the National Assembly, the minister for finance, who prepares the proposal for the Government, will have already constituted an expert commission which is composed of experts with experience in corporate governance, human resource management and the functioning of supervisory boards. The expert commission has prepared the criteria for evaluating the expert knowledge, experience and skills required for the high-quality performance of functions of members of the supervisory board of the SSH, and also prepared target expert profile for members.

The expert commission with this open public call implements the procedure for acquiring candidates for members of the supervisory board of the SSH and assessment of candidates and draft a proposal for members of the supervisory board of the SSH for the minister for finance.

The third paragraph of Article 39 of the SSHA-1 requires that the supervisory board of the SSH be composed of members whose expertise and competence are complementary. Into it should be appointed experts in:

- finance,
- corporate management,
- liability and asset management and
- corporate law.

On the basis of a proposal of the expert commission, the Ministry of Finance and the Minister of Finance shall forward the list of candidates for the approval of the Government.

If the Ministry of finance proposes to the Government members of the supervisory board of the SSH who have not been proposed by the expert commission, the ministry shall disclose this information publicly. The selection procedure for these candidates, the names of those who invited them to participate and how compliance with Article 39 of the SSHA-1 was ensured shall also be made public.

If the Government proposes to the National Assembly members of the supervisory board of the SSH who have not been proposed by the Ministry of finance, it shall disclose this information publicly. The selection procedure for these candidates, the names of those who invited them to participate and how compliance with Article 39 of the SSHA-1 was ensured shall also be made public.

## **CONDITIONS FOR MEMBERS OF THE SUPERVISORY BOARD OF THE SSH**

In accordance with the SSHA-1, a member of the Supervisory Board shall meet the conditions laid down in Article 39 of the SSHA-1 and Companies Act (Official Gazette of the Republic of

Slovenia, nos. 65/09 – official consolidated text, 33/11, 91/11, 32/12, 44/13 – Constitutional Court Decision, 82/13, 55/15, 15/17 and 22/19 - ZPosS; hereinafter referred to as: CA-1).

In Article 255, CA-1 determines that a member can control any business capable of a natural person other than the person who:

- who is a member of another management or the supervisory body of such company;
- who has not been convicted *res iudicata* of a criminal offence against the economy, against labour relations and social security, against legal transactions, against property, against environment, space and natural resources. Such a person cannot be appointed to the Supervisory Board within five years of the finality of judgement and two years after having served their sentence;
- against whom a security measure has been passed prohibiting the pursuit of a profession, for the duration of the prohibition; or
- who, acting as a member of the management board of a company against which bankruptcy proceedings were instituted, has been pronounced liable to repay damage to the creditors in accordance with the law regulating the financial operations

In Article 273, CA-1 determines that a member of the Supervisory Board may not be:

- a procurator or authorised person of the same company;
- a member of the management board of another company with share capital in which a member of the management board of this company is on the supervisory board;
- a person who is a member of a supervisory or management board in three other companies, or
- a person not fulfilling the conditions laid down in the articles of association.

SSHA-a in the first paragraph of Article 39 provides that a member of the Supervisory Board of the SSH meet the following conditions:

- is characterised by personal integrity and business ethics;
- has experience confirmed by business success and reputation;
- has obtained an education according to study programmes for the second-cycle Bologna degree, or for the level of education acquired in study programmes which legally comply with the second Bologna degree;
- has at least ten years of suitable work experience in management or corporate governance and displays good comparable results in their work;
- has not been sentenced for a criminal act prosecuted *ex officio* or under indictment for a criminal act prosecuted *ex officio*;
- does not perform a function which, according to the act governing the integrity and prevention of corruption as per this or another act, is incompatible with membership of a supervisory body or management body and has not performed such function in the previous six months;
- is not a member of a management or supervisory body in a company in which the SSH has a majority share or prevailing influence;
- is not an individual who in the last six months has performed a function to which they were elected or appointed in a political party.

In accordance with the second paragraph of Article 40 of the SSHA-1, members of the Supervisory Board of the SSH shall not be in a business relationship with a company with a financial asset of the state, or with a company associated therewith. A business relationship is any legal transaction, except a transaction in which a member of the supervisory board of the SSH is a consumer of regular products and services of the company in which the SSH has or manages a financial asset under the general conditions applied to other subjects in the market.

In accordance with the third paragraph of Article 39 of the SSHA-1, the Supervisory Board of the SSH shall be composed of members whose expertise and competence are complementary. Experts in finance, corporate management, liability and asset management and corporate law shall be appointed to it. According to the current professional structure of the supervisory board of SSH have priority candidates with expertise in the corporate law.
